the needs of local communities in regard to homemaking education. Last week it was told how two boys were run down and killed near Webster Mills. On Friday the driver of the death car appeared before Judge Sheely and pleaded guilty to two charges of manslaughter and on a charge of failure to stop at the scene. On each of the three charges, he was sentenced to pay a fine of \$5 and pay the cost of prosecution and serve not less than 18 months nor more than three years in the Fulton County Jail,

Charles Hockensmith has wheat 72 inches high. Shorty Shaw has timothy with 10-1/2 inch heads. Ulysses G. Hann has the biggest radishes, one being 36-1/4 inches long, 10-3/4 inches around and weighing 8 1/4 pounds. From The Files Of October 25, 1928

'28 Death: Michael Francis Doyle of McConnellsburg; C.C. Foster of Six Mile Run; George W. Daniels of Winfield, Kan.

Mrs. Mumford Wilks of Philadelphia has been called home due to the serious illness of her father, William Laidig of Hustontown. Ross Barkman, Andrew Sipe and Ted Keller were among the successful turkey hunters in the Hustontown area.

Ross C. Smith and Frieda Lynch were wed October 17. Postmaster W.H. Greathead arrived home on Wednesday after attending the Spanish-American War Veterans Convention in Havana, Cuba. Mr. and Mrs. George Glunt of Knobsville celebrated their silver wedding anniversary on October 14.

Hunting licenses now cost \$2, raised from \$1.25. This increase is to be used exclusively for the acquisition of public hunting lands. The increase, which will amount to about \$375,000 annually, has allowed the Game Commission to place 84,497 acres of land under contract for future purchase.

After living in Burnt Cabins for over 40 years, Mr. and Mrs. J.H. Baldwin have moved into their newly remodeled house at Fort Littleton.

George S. Cutchall, as a member of the Chambersburg Auto Club, received \$60 insurance as the result of an accident he had some time ago when he fell from a motor truck.

## MHS & MMS Recognized For Committing To Improve The Health, Wellness Of Its Students

Pennsylvania Advocates for Nutrition & Activity (PANA) is proud to recognize McConnellsburg High School and McConnellsburg Middle School as a Keystone Healthy Zone School for the 2008-2009 school year. PANA's fifth annual Keystone Healthy Zone (KHZ) campaign publicly recognizes Pennsylvania schools for their commitment to creating and maintaining healthy school environments by providing students with options to eat healthy and be active.

By enrolling as a KHZ school, McConnellsburg High School joins a statewide network of school and community partners uniting to improve the health and wellness of today's youths and families.

Membership in this campaign provides schools with up-to-date information and materials, professional development opportunities, free and discounted education programs, and equipment. It also provides fun events to generate support among students, families, staff and the community.

"This is our third year participating in the Keystone Healthy Zone campaign," remarked Jessica Fish, SADD advisor. "This campaign provides us with yet another way to present a well-rounded educational experience to our students."

According to PANA executive director Allison Topper, "schools who have regularly engaged with our Keystone Healthy Zone campaign shower a lower incidence of overweight and obesity in annual BMI screenings when compared against the national average."

Over the past four years, the campaign's training materials, technical assistance and other resources have helped schools increase physical activity before and after school; enhance the time or quality of their physical education curriculum; change vending or a la carte food options; better integrate nutrition education; and upgrade their physical education equipment.

McConnellsburg Elementary School musical "Robin Hood," received a \$1,000 grant. It will be presented in November 2008, under the direction of Hope Moore.

The PA Partners in the Arts (PPA) program is an initiative between local arts organizations and the Pennsylvania Council on the Arts, a state agency. PPA is administered in this region by the Council for the Arts in Chambersburg.

## Eichelberger Receives Award From NFIB

100 percent voting record on small business issues

Sen. John H. Eichelberger Jr. has received a 2007-08 "Guardian of Small Business" award from the National Federation of Independent Business (NFIB) for his voting record on behalf of Pennsylvania's small-business owners.

"Pennsylvania has a reputation of being a business 'unfriendly' state and reversing that reputation is going to take a lot of work and support from both sides of the aisle. The awards, presented to some senators and representatives by the NFIB, are a sign that there is hope, but we still have a long way to go," Eichelberger said. "The business owner members of the NFIB understand how important this fight is to the economy of this state."

The senator earned a 100 percent voting record for supporting/opposing the following bills:

Guardian of Small Business Awards are given to Senators and Representatives who voted favorably on key small-business issues at least 75 percent of the time. 54 Senators and 66 Representatives received the award in 2007-08.

Fun By The Numbers

Like puzzles? Then you'll love sudoku. This mind-bending puzzle will have you hooked from the moment you square off, so sharpen your pencil and put your sudoku savvy to the test!

Level: Intermediate

### Here's How It Works:

Sudoku puzzles are formatted as a 9x9 grid, broken down into nine 3x3 boxes. To solve a sudoku, the numbers 1 through 9 must fill each row, column and box. Each number can appear only once in each row, column and box. You can figure out the order in which the numbers will appear by using the numeric clues already provided in the boxes. The more numbers you name, the easier it gets to solve the puzzle!
