MINI MESSAGE
Prov. 14:34 "Righteousness exal-
teth a nation: but sin is a reproach to
any people." Ps. 9:17 "The wicked
shall be turned into hell, and all the
nations that forget God."
Why is the United States in such a
difficult financial mess? Read the two
verses above. Why is it that there is no
leadership in Washington, and no real
stand-out choice for President? Read
the two verses above. America has
turned her back on God and snubbed
Him for years. We have thrown Him
out of school and almost all public arenas
and yet we will stand and sing
"God Bless America" like there is no
reason He shouldn't. The fact is, you
can't have the blessing of God, you
can't have prosperity, as long as sin is
cherished, promoted, recommended,
tolerated and practiced like it is in
America. As Christians we need to
stand up for what God says in the
Bible and pray that God will withhold the
judgment America deserves.
