

## In Memory

### GRACEY

In memory of John R. Gracey, October 19, 1961 - May 11, 1981: Dear Johnny,

Many years have passed since that tragic day. Our pain and hurt have lessened, but our love and missing you have strengthened. It says in God's word that he would never leave us or forsake us and that is so true.

"Do not let your hearts be troubled, trust in God, trust also in Me. In my Father's house are many rooms; if it were not so, I would have told you. I am going there to prepare a place for you." John 14:1-3. (Johnny's favorite Bible verses).

Mom, Dad and Joni

### SEVILLE

In memory of Vaughn Seville, January 22, 1976 - October 17, 1998:

It's been 10 years since you've been gone, it hasn't been very easy, especially when I hear your song.

I still wonder what happened that fateful night, what were you thinking, did you know the end was in sight?

Did God come to you and say it was your time? And there you stood at the pearly gates in line, looking down at us all in tears.

And you wanted to come and calm all our fears, for now you're in a place so beautiful, so clean, a place where God can be seen.

I never thought this would happen in a million years. You come to me in my dreams at night, and when I awake there are always tears. What would I do if I could only hold you tight, and again to hear your laughter.

Until we meet again, in the life ever after.

We love and miss you more than you could ever imagine.

Forever in our hearts and thoughts,  
Love,

Mom and Dad  
Gloria and family  
Valerie and family  
and Drew

### TIM

In memory of Tim who passed away October 14, 2007: Tim (Big Brother),

You're our teddy bear and you're aunt cin Bow. What are we going to do without you. I hope you know how much we all love you.

I know you're watching over all of us from the heavens above. It's hard to believe that you're gone, but you should know that you'll still be in our hearts forever. Tim, you're the best son, brother, father, grandfather, uncle, brother-in-law and husband that anyone could have. Until we meet again.

Your family and friends

### SEVILLE

In loving memory of Harvey and Madeline Seville:

#### Forever In Our Hearts

A million times we needed you, A million times we cried, If love alone would have saved you, You would have never died. In life we loved you dearly, In death we love you still, In our hearts you hold a place No one can ever fill.

A light from our household is gone A voice from our love is stilled A place in our vacant home, Which never can be filled.

Some may think you are forgotten Though on earth you are no more, But in our memory you are with us, As you always were before.

It broke our hearts to lose you, But you did not go alone A part of us went with you, The day God called you home. Your precious memories are for keepsakes

With which we never part, God has you safely in His keeping But we have you forever in our hearts.

We will always love and miss you,  
Lisa, Mike and Lakin  
Dorothy, Wade, Eric, Nathan and  
Delaney

## LEAD And Raytheon Co. Sign Partnership Agreement

Letterkenny Army Depot and Raytheon Co. recently signed a partnership agreement for continuing modernization of Patriot Air and Missile Defense Systems.

This partnership agreement formalizes the relationship between the Army and Raytheon to ensure that Patriot systems are equipped with the latest hardware and software to meet and defeat new challenges in the battlespace.

With this agreement in place, Letterkenny will build new cables to be installed on Configuration 3 upgrade kits for Patriot missile systems. This work will be in support of initiatives known as "Pure Fleet" and "Grow the Army."

This round of upgrades affects three Patriot battalions.

Raytheon Integrated Defense Systems is the prime contractor for Patriot systems integration, and Letterkenny is the Army's primary installation for maintaining and rebuilding Patriot systems.

"This partnering is a "win-win" for Letterkenny and Raytheon," said Col. Steven Shapiro, depot commander. "It provides cost-effective, quality products for our soldiers in the field defending against sophisticated threat aircraft, tactical ballistic and cruise missiles."

"Raytheon is pleased to expand our relationship with Letterkenny Army Depot in support of Patriot system upgrades," said Joseph "Skip" Garrett, Raytheon's vice president and deputy for Patriot Programs. "Working together, we will ensure the Army is equipped with the latest technology to meet current and emerging threats."
