

Suspect Jumps From Bridge Into River

MONACA, Pa. (AP) - Authorities in western Pennsylvania say a man wanted on gun and drug possession charges is missing after he jumped 80 to 100 feet from a bridge to escape police officers.

Authorities say 23-year-old Larry Smith III, of Rochester, had been a passenger in a car during a routine traffic stop on the Monaca-Rochester Bridge in Beaver County. Authorities say he tossed something from the vehicle, jumped out and ran, then plunged into the Ohio River at about 12:20 a.m. Saturday.

Matt 28:6-7a "He is not here: for he is risen, as he said. Come, see the place where the Lord lay. And go quickly, and tell his disciples that he is risen from the dead"
 As day broke on the first day of the week, Jesus' followers fully expected Him to still be in the grave. The angel of the Lord was waiting for them with the most wonderful news the world has ever heard. Jesus was not dead, but had risen from the dead, just as He had said He would. Just as the women were told to go and tell the disciples the good news, we are given the command to go and tell the world. Jesus died for our sins according to the Scriptures, was buried, and rose from the dead after three days, according to the Scriptures. Friend, God loves you and wants you to be saved. That's what Easter is all about. Won't you ask Jesus to be your Saviour today?
